PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE __, 2002

General Information for Stockholders

The enclosed proxy card is solicited on behalf of the board of directors of Atlantic Technology Ventures, Inc., a Delaware corporation, for use at the 2002 annual meeting of stockholders to be held at 10:00 a.m. Eastern Daylight Saving Time on _____, June __, 2002, at the offices of Kramer Levin Naftalis & Frankel LLP, at 919 Third Avenue, 40th Floor, New York, New York 10022, and at any adjournment.

This proxy statement was first mailed to the stockholders entitled to vote at the annual meeting on or about May __, 2002.

Record Date and Voting

The specific proposals to be considered and acted upon at the annual meeting are described in detail in this proxy statement. Stockholders of record at the close of business on the record date of _____, 2002, are entitled to notice of, and to vote at, the annual meeting. As of the close of business on that date, there were outstanding and entitled to vote _____ shares of Atlantic's common stock and _____ shares of Atlantic's Series A convertible preferred stock. Each holder of common stock is entitled to one vote for each share of common stock held by that stockholder on the record date. Each holder of Series A preferred stock is entitled to one vote for each share of common stock into which that holder's shares of Series A preferred stock were convertible as of the record date. As of the record date, each share of Series A preferred stock was convertible into __ shares of shares of common stock, and as a class the Series A preferred stock is entitled to an aggregate of _____ votes, or ___% of the total vote.

At the annual meeting, all holders of shares of common stock and Series A preferred stock will be asked to vote on proposals 1, 2, 3 and 4. A majority of the votes cast by the holders of both common stock and Series A preferred stock, voting together, is required in order to approve each of these proposals.

If a choice as to the matters coming before the annual meeting has been specified by a stockholder on a returned proxy card, the shares will be voted accordingly. If no choice is specified, the shares will be voted in favor of election of each of the directors proposed by the board and in favor of proposals 2, 3, and 4.

Abstentions and broker non-votes (that is, a proxy card submitted by a broker or nominee that specifically indicates the lack of discretionary authority to vote on the proposals) are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions will have the same effect as negative votes, whereas broker non-votes will not be counted for purposes of determining whether a proposal has been approved or not.

To ensure that your shares are voted at the annual meeting, please complete, date, and sign the enclosed proxy card and return it in the accompanying postage-prepaid return envelope as soon as possible.

Revocability of Proxies

Any stockholder giving a proxy as a result of this solicitation may revoke it at any time prior to its exercise. A stockholder of record may revoke a proxy by filing with the corporate secretary of Atlantic at our principal executive offices at 350 Fifth Avenue, Suite 5507, New York, New York 10118, a duly executed proxy bearing a later date or by attending the annual meeting and voting that stockholder's shares in person. Persons who hold Atlantic shares in street name may revoke their proxy by contacting their broker to obtain a legal

ballot and filing that ballot bearing a later date with the Corporate Secretary of Atlantic at its principal executive offices or by attending the annual meeting and voting that ballot in person.

Solicitation

We will bear the entire cost of solicitation, including preparing, assembling, printing and mailing the notice of annual meeting, this proxy statement, the proxy and any additional solicitation materials furnished to stockholders. Copies of solicitation materials will be furnished to any brokerage house, fiduciary or custodian holding shares in its name that are beneficially owned by others, so that they may forward the solicitation materials to the beneficial owners. To assure that a quorum is present in person or by proxy at the annual meeting, it may be necessary for certain officers, directors, employees or other agents of the Atlantic to solicit Proxies by telephone, facsimile or other means or in person. Atlantic does not currently intend to solicit Proxies other than by mail.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

PROPOSAL 1: AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF OUTSTANDING SHARES

The board of directors has unanimously approved, subject to stockholder approval, an amendment to Atlantic's certificate of incorporation increasing the number of authorized shares of common stock from 50 million to 150 million. The full text of the proposed changes to our certificate of incorporation has been incorporated into the proposed certificate of amendment of Atlantic's certificate of incorporation included as Exhibit A. (If proposal 1 is not approved but proposal 2 is approved, we will revise the certificate of amendment accordingly.)

As of the close of business on , 2002, there were shares of Atlantic's common stock outstanding and an aggregate of shares of common stock reserved for issuance under the 1995 Stock Option Plan, upon the exercise of outstanding warrants, upon the conversion of the outstanding shares of Series A preferred stock and upon the exercise (and subsequent conversion into shares of common stock) of outstanding warrants exercisable for Series A preferred stock. Accordingly, based on the number of fully-diluted shares of common stock as of the close of business on , 2002, Atlantic would have remaining shares of common stock to issue if the certificate of incorporation were amended to increase to 150,000,000 the number of authorized shares of common stock. The Company believes that this number of shares of common stock would be sufficient to meet the needs of Atlantic for at least the next three to five years.

Increasing the number of authorized shares would give us greater flexibility in raising equity financing or acquiring technologies, whether by merger or otherwise. We are currently not engaged in any discussions regarding such financings or acquisitions.

This proposed amendment would also increase Atlantic's corporate franchise tax liability to the State of Delaware. Delaware's corporate franchise tax is based, in part, on the number of shares of stock authorized in a corporation's certificate of incorporation. As a result of increasing by approximately 200% the number of shares we are authorized to issue, our franchised tax for the period March 1 to the end of February would increase by approximately ___%.

If our stockholders approve this proposed amendment we will promptly file an appropriate certificate of amendment with the Delaware Secretary of State.

The affirmative vote of holders of a majority of the votes of our common stock and Series A preferred stock issued and outstanding on the Record Date, voting together as a class, is required to approve this proposal.

The board of directors deems this proposal to be in the best interests of Atlantic and its stockholders and recommends that you vote "FOR" this proposal.

PROPOSAL 2: AMENDMENT TO THE CERTIFICATE OF INCORPORATION
TO CHANGE OUR NAME TO "ATLANTIC BIOTECHNOLOGIES, INC."

The board of directors has unanimously approved, subject to stockholder approval, an amendment to our certificate of incorporation to change our name to "Atlantic Biotechnologies, Inc." The full text of the proposed changes to Atlantic's certificate of incorporation has been incorporated into the proposed certificate of amendment of Atlantic's certificate of incorporation included as Exhibit A. (If proposal 2 is not approved but proposal 1 is approved, we will revise the certificate of amendment accordingly.)

This name change reflects the board of directors' decision to streamline Atlantic's business focus to developing biotechnological products. Additionally, identifying ourselves as simply a "technology" company could inadvertently make us subject to the investment community's indiscriminating backlash against investing in technology and Internet companies.

We believe this name change will have no adverse effect on its business. Public recognition of our name is generally limited to the biotechnology industry. Notifying our business partners of the name change should be a simple matter. In addition, we will continue to use our current Over-the-Counter Bulletin Board ticker symbol.

Stockholders will not be required to submit their stock certificates for exchange. Following the effective date of the amendment changing our name, all new stock certificates that we issue will be overprinted with our new name.

The affirmative vote of the holders of a majority of the votes of our common stock and preferred stock issued and outstanding on the record date, voting together as a class, is required to approve this proposal.

The board of directors deems this proposal to be in the best interests of Atlantic and its stockholders and recommends that you vote "FOR" this proposal.

PROPOSAL 3: ELECTION OF DIRECTORS

At the annual meeting, a board of directors consisting of five directors will be elected to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified or until their earlier resignation or removal. The board has selected five nominees, all of whom are current directors of Atlantic. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unavailable to serve. Unless otherwise instructed, the proxy holders will vote the proxies received by them in favor of the nominees named below. Holders of shares of common stock and holders of shares of Series A preferred stock vote together as a class for the election of directors. If any nominee is unable or declines to serve as a director, the proxies may be voted for a substitute nominee designated by the current board.

The board recommends that stockholders vote in favor of the election of each of the following nominees to serve as directors of Atlantic.

Director Compensation

Non-employee directors are eligible to participate in an automatic stock option grant program under the 1995 stock option plan. Non-employee directors are granted an option for 10,000 shares of common stock on their initial election or appointment to the board and an option for 2,000 shares of common stock on the date of each annual meeting of our stockholders for those non-employee directors continuing to serve after that meeting. On August 8, 2001, under the automatic stock option grant program, we granted each of Steve Kanzer and Peter Kliem options for 2,000 shares of common stock at an exercise price of \$0.61 per share, the fair market value of our common stock on the date of grant.

Additionally, on February 20, 2001, Atlantic granted each of Steve Kanzer and Peter Kliem options for 50,000 shares of common stock at an exercise price of \$0.875 per share, the fair market value of our common stock on the date of the grant.

The board agreed that effective October 21, 1999, each non-employee member of the board is to receive \$6,000 per year for his services as a director, payable semi-annually in arrears, plus \$1,500 for each board meeting attended in person, \$750 for each board meeting attended via telephone conference call and \$500 for each meeting of a committee of the board attended.

Board members are reimbursed for reasonable expenses incurred in connection with attending meetings of the board and of committees of the board.

PROPOSAL 4: RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The board has appointed the firm of KPMG LLP, independent auditors, to audit our financial statements for the year ending December 31, 2002, and is asking the stockholders to ratify this appointment. KPMG LLP began annually auditing Atlantic's financial statements in December 1995.

In the event the stockholders fail to ratify the appointment, the board will reconsider its selection. Even if the selection is ratified, the board in its discretion may direct the appointment of a different independent auditing firm at any time during the year if the board believes that such a change would be in the best interests of Atlantic and its stockholders. The affirmative vote of the holders of a majority of the votes of common stock and Series A preferred stock, voting together as a class, is required to ratify the selection of KPMG LLP.

The board recommends that stockholders vote in favor of the ratification of the selection of KPMG LLP to serve as Atlantic's independent auditors for the year ending December 31, 2002.

- (1) Each option has a maximum term of ten years, subject to earlier termination in the event of the optionee's cessation of service with Atlantic. The options are exercisable as follows: 25% upon granting and 25% each of the first three anniversaries of the date of granting. Each option will become immediately exercisable in full upon an acquisition of Atlantic by merger or asset sale, unless the option is assumed by the successor entity. Each option includes a limited stock appreciation right pursuant to which the optionee may surrender the option, to the extent exercisable for vested shares, upon the successful completion of a hostile tender for securities possessing more than 50% of the combined voting power of Atlantic's outstanding voting securities. In return for the surrendered option, the optionee will receive a cash distribution per surrendered option share equal to the excess of (1) the highest price paid per share of common stock in that hostile tender offer over (2) the exercise price payable per share under the cancelled option.
- (2) Calculated based on total option grants to employees of 575,000 shares of common stock during the 2001 fiscal year.
- (3) The exercise price may be paid in cash, mature shares of common stock, through arrangements with independent brokerage firms, or by other means at the discretion of the Plan Administrator. Atlantic may also finance the option exercise by loaning the optionee sufficient funds to pay the exercise price for the purchased shares and the federal and state income tax liability incurred by the optionee in connection with exercise. The optionee may be permitted, subject to the approval of the plan administrator, to apply a portion of the shares purchased under the option (or to deliver existing shares of common stock) in satisfaction of that tax liability.

Change of Control Transactions

Atlantic is not aware of any transactions resulting in a change of control during fiscal year 2001.

Certain Relationships and Related Transactions

On January 4, 2000, we entered into a financial advisory and consulting agreement with Joseph Stevens & Company, Inc. In this agreement, we engaged Joseph Stevens to provide us with financial advisory services from January 4, 2000 until January 4, 2001. As partial compensation for the services to be rendered by Joseph Stevens, we issued them three warrants to purchase an

aggregate of 450,000 shares of our common stock. The exercise price and exercise period of each warrant is as follows:

Warrant Number	No. of Shares	Exercise Price	Exercise Period
No.1	150,000	\$2.50	1/4/00 through 1/4/05
No.2	150,000	\$3.50	1/4/01 through 1/4/06 (which vested in equal monthly increments during 1/4/00-1/4/01)
No.3	150,000	\$4.50	1/4/02 through 1/4/07 (which vested in equal monthly increments during 1/4/00-1/4/01)

In addition, each warrant may only be exercised when the market price of a share of common stock is at least \$1.00 greater than the exercise price of that warrant. In connection with issuance of the warrants, Atlantic and Joseph Stevens entered into a letter agreement granting Joseph Stevens registration rights in respect of the shares of common stock issuable upon exercise of the warrants.

Pursuant to our restated certificate of incorporation and bylaws, we have entered into indemnification agreements with each of our directors and executive officers.

All transactions between us and our officers, directors, principal stockholders and their affiliates are approved by a majority of the board of directors, including a majority of the independent and disinterested outside directors on the board of directors. We believe that the transaction set forth above was made on terms no less favorable to us than could have been obtained from unaffiliated third parties.

COMPLIANCE WITH SECTION 16(a) OF
THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Atlantic's officers, directors and persons who are the beneficial owners of more than 10% of the common stock to file initial reports of ownership and reports of changes in ownership of the common stock with the SEC. Officers, directors and beneficial owners of more than 10% of the common stock are required by SEC regulations to furnish Atlantic with copies of all Section 16(a) forms they file.

Each of Atlantic's directors and executive officers was late in filing the forms required by Section 16(a) of the Exchange Act during fiscal year 2001.

SECURITY OWNERSHIP OF MANAGEMENT AND
CERTAIN BENEFICIAL OWNERS

The following table sets forth certain information known to us with respect to the beneficial ownership of our common stock as of May ____, 2002, by (1) all persons who are beneficial owners of 5% or more of our common stock, (2) each director and nominee, (3) the Named Officers in the Summary Compensation Table above, and (4) all directors and executive officers as a group. We do not know of any person who beneficially owns more than 5% of the Series A preferred stock and none of our directors or the Named Officers owns any shares of Series A preferred stock. Consequently, the following table does not contain information with respect to the Series A preferred stock.

The number of shares beneficially owned is determined under rules promulgated by the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under those rules, beneficial ownership includes any shares as to which the individual has sole or shared voting power or investment power and also any shares which the individual has the right to acquire within 60 days of March 20, 2002, through the exercise or conversion of any stock option, convertible security, warrant or other right. Including those shares in the tables does not, however, constitute an admission that the named stockholder is a direct or indirect beneficial owner of those

shares. Unless otherwise indicated, each person or entity named in the table has sole voting power and investment power (or shares that power with that person's spouse) with respect to all shares of capital stock listed as owned by that person or entity. The common stock represented here includes the common stock that the beneficial holders would directly possess if they converted all shares of Series A Preferred Stock held by them.
